SKILLS

Recently, I've really enjoyed diving deeper into all things search and will happily talk your ear off about it.

- Scala (w/ Akka)
- Python (w/ Django & Flask)
- Elastic
- MySQL, Postgres, etc.
- Kubernetes, Docker, & Jenkins
- RESTful (w/ Swagger)
- React (Redux)
- Kafka
- TSX & JS
- Vue & SCSS (this resumé)

About me
Aims to create and improve the design, performance, and cleanliness of high-quality software.
